## Appointment Contract

Dear Patient,

Thank you for choosing Weninger Dentistry to be your dental healthcare provider. This form outlines our dental visit protocols and asks for your help in keeping it running smoothly and on time so that we may all benefit as a team.

Please know at Weninger Dentistry we value and respect each patient's time. Therefore, we do not double book our appointments. We reserve that time specifically for you when you confirm an appointment. This enables us to provide you with on-time service and our undivided attention. *If you do not show for an appointment or cancel at the last minute, it leaves us with no time to fill that appointment.* As a result, we lose production and the opportunity to help another patient who may be on our ASAP list.

We kindly ask for your help in making your best effort to confirm ***at least 48 hours ahead of time*** and keep your appointments.

***If a conflict arises, please contact the office at least 48 hours prior to your appointment.***

If unforeseen circumstances occur, we will do our best to reappoint you within 4-8 weeks. If, however, you have a second cancellation that occurs with less than 48 hour notice, we will collect a \$35 broken appointment fee and also ask for a reservation deposit (minimum of \$50.00) in order to be re-appointed.

By signing this form you are agreeing to these terms and have been given the opportunity to ask questions regarding this contract.
